Data collected: name and surnames, ID number, type of rental (entire house or rooms), address of the property, monthly price, months of deposit, months of minimum stay, telephone, email and number of properties managed and additionally, the billing information will be provided, as well as the rules and other optional data provided by the owner, such as the means of payment admitted, registration times for entry and exit days, smoking, admission of pets, bill expenses or taxes included in the rental price or other optional preferences

Purpose: to enable the application for the registration of owners, the announcement of their properties on the AZUR.SALE website and the subsequent management by owners of their portfolios and contracts

Justification: the legal relationship for the provision of the service

Assignee: after the acceptance of the reservations by the owner, we shall transfer your contact details to the tenant

Conservation periods: the data shall be retained for the time necessary for the provision of the service or until you request its deletion; it will therefore be retained for the time necessary for the purpose of the processing and, once completed, it may be retained for a period of six years at the disposal of the public authorities, judges and courts, for the defence of any possible liabilities arising from the processing

**TENANT REGISTRATION:** this enables registration on the AZUR.SALE platform by using the Google or Facebook login details

Data collected: the registration and profile data that were previously registered with Google and/or Facebook

Purpose: the registration of users seeking housing

Justification: the legal relationship for the provision of the service

Assignee: we shall provide your details to the owners of the homes that you reserve

Conservation periods: the data will be retained until we find you the house you are looking for or until you request their removal; it will therefore be retained for the time necessary for the purpose of the processing and, once completed, it may be retained for a period of six years at the disposal of the public authorities, judges and courts, for the defence of any possible liabilities arising from the processing

**RESERVATION FORM:** to reserve the property you wish to rent

Data collected: city, name, surnames, email, telephone, date of birth, sex, nationality, if you are making the move alone or accompanied, where you will work or study, data for making payment, optional data: additional information

Purpose: help the user to reserve the right home for his/her needs

Justification: the legal relationship for the provision of the service

Assignee: we shall provide your details to the owners of the homes that you reserve

Conservation periods: the data shall be retained until you rent the home you desire or until you request its deletion; it will therefore be retained for the time necessary for the purpose of the processing and, once completed, it may be retained for a period of six years at the disposal of the public authorities, judges and courts, for the defence of any possible liabilities arising from the processing

**CLIENT BILLING:** management of the billing process with landlords and tenants

Data collected: name, surnames, ID or company name, VAT number and bank account number.

Purpose: manage billing processes with owners and tenants

Justification: the legal relationship for the provision of the service

Conservation periods: the data shall be retained until the end of the agreement or until you request its deletion; it will therefore be retained for the time necessary for the purpose of the processing and, once completed, it may be retained for a period of six

years at the disposal of the public authorities, judges and courts, for the defence of any possible liabilities arising from the processing

**POST BOOKING SERVICE:** for addressing, mediating and resolving possible incidents that may arise during the beginning of the lease contract

Data collected: comments, requests or complaints made by AZUR.SALE's own clients

Purpose: address, mediate and resolve possible incidents or problems after the lease of the property and to avoid situations of fraud

Justification: the legal relationship for the provision of the service

Assignee: we will transfer data between owners and tenants for the management of incidents

Conservation periods: the data shall be retained until the end of the agreement or until you request its deletion; it will therefore be retained for the time necessary for the purpose of the processing and, once completed, it may be retained for a period of six years at the disposal of the public authorities, judges and courts, for the defence of any possible liabilities arising from the processing

**ASK NICELY:** service designed to assess the degree of satisfaction of owners and tenants during the life of the contract

Data collected: name, surnames, email, age, nationality and degree of satisfaction

Purpose: to determine the degree of customer satisfaction, address, mediate and resolve possible incidents, problems or bad experiences after the lease of the property

Justification: the legal relationship for the provision of the service

Conservation periods: the data will be retained until the end of the contractual relationship or until you request its deletion; it will therefore be retained for the time necessary for the purpose of the processing and, once completed, it may be retained for a period of six years at the disposal of the public authorities, judges and courts, for the defence of any possible liabilities arising from the processing
